## COAST RADIO STATIONS (Hellenic Coast Guard)

### MRCC & MRSC

All MF Coast Stations keep continuous watch on 2182 kHz  
All Hellas Radio Stations (except Perama) maintain a continuous watch on Ch 16

1. Until the establishment of the A2 Sea Area for reasons of additional safety only, the Hellenic Coast Guard will keep H24 watch on MF DSC distress frequency (2187.5kHz), using its own stations indicated by the footnote<sup>1</sup>. This should not be considered as an established A2 Sea Area.
2. **DSC MF Stations<sup>2</sup>**, owned by Hellenic Coast Guard, using ship-station MMSI numbers.
